Welcome to the Seascape

We are delighted to be able to offer the incredible Seascape lodge to our range of second homes. This spacious 2-bedroom lodge is light and airy and has a real beach-house feel to it, centred around open plan living and a subtle nautical theme throughout.

Light floods through the large windows and twin patio doors, creating a beautiful feeling of space and openness and taking in the panoramic sea views from two elevations.

The Seascape lodge is further enhanced by an incredibly thoughtful layout, providing for an ensuite shower room to the master bedroom, a spacious guest bedroom, large L-shaped sofa and with plenty of storage throughout.

The Lodge Location

Our new Seascape lodges are offered on prime positions on our new West Bay Drive development and all enjoy incredible sea views from both the living area and the large wraparound decking which provides for effortless indoor/outdoor living. Complete with the benefit of a large block-paved private parking space that can easily accommodate two cars right alongside your lodge.
